**Appreciation for the  
Dhont's Workshop**

*"It was wonderful, easy to follow,  
and applicable to all relationships:  
marriage, work, parenting, friendship.  
Thank you for a great weekend!"*

*Thank you for presenting as a couple;  
that dynamic brings richness and  
realness to the presentation.  
I am particularly struck  
by the ageless grace of each of you.  
Thank you for such warmth  
and very clear care."*

*"Wonderful!*

*Both presenters and support staff  
were very available to work  
individually with couples as needed.*

*Very supportive and caring  
and very encouraging despite the many  
obstacles we are facing as a couple."*

*"We have renewed hope and are excited to  
try the dialogue process; it will be so  
helpful to have this skill. We didn't know  
there was such a safe and loving way of  
communicating!!"*

To all of her work, Peggy brings extensive training and experience in the use of touch, breath, and mediation developed through her former relaxation and massage therapy business.
